

ECOOP Publisher Change

ECOOP is considering whether to switch from Springer LNCS to Dagstuhl's LIPIcs imprint. LIPIcs offers free and barrierless downloads; very low Open Access charges (15 EUR/paper); archiving with the German National Library; and leaves copyright with the author, so your content is free for you to reuse later (e.g., in books and other publications).

* Required

1. **How many times have you submitted to ECOOP? ***

Mark only one oval.

- First time
- A few times but not many
- Consider myself a "regular"

2. **Are you an AITO member?**

Mark only one oval.
